

**“... [N]ow it shall spring forth...” Isaiah 43:19b.**

**What?** Is Friendship/Relationship Evangelism:

- Evangelism that is **intentional** about bringing the **Good News** to someone in the context of a **relationship**.
- Intentional focus on **friendship**.
- Places a high value on **people**.

**“Every person has a right to hear the Gospel in a way that they can understand” – Jim Rayburn, Young Life**

**How?**

- **Engage** (build) a relationship with someone.
- **Win** someone to Christ.
- **Maintain** the relationship with someone.

**For April and May, 2017** record the following-:

1. How many you **engaged** (built) a relationship with? \_\_\_\_\_
2. How many you **won** to Christ? \_\_\_\_\_
3. How many you **maintained** the relationship with? \_\_\_\_\_

**Note: A majority of believers have come to faith through relationships. Therefore, while the ultimate goal is to win someone to Christ, there is evangelistic value in forming and maintaining relationships.**

Enclosed is a form to record your personal progress. Once completed please submit to your local church. Consolidated church results should be submitted to the Northeast Regional Office by **June 19th, 2017**.
