Overseer's Desk

In just a few days another Assembly rolls around. Celebrating 100 years!! I trust that all our pastors and ministers along with many of our members are making plans to be there. It will be a great Assembly as so many have prayed and are continuing to do so. What a blessing it is to have our praise team for this Region direct praise and worship again at this historic General Assembly in Chattanooga, Tennessee.

As we take some time off to attend this international gathering of the saints, please may our minds and souls be redirected to the harvest here in the Northeast region. So many remain lost and unreached! Let us continue praying that the Almighty will use us to win and reach the lost that come across our paths every day. Too many come to our churches and leave the same way they came – untouched unmoved, unconverted! We must have revival! Let revival fires burn throughout our churches again! Let the revival fires of evangelism spread like never before.

Jesus said "Say not ye, there are yet four months and then cometh harvest! Behold I say unto you, lift up your eyes, and look on the fields; for they are white already to harvest." John 4:35. Its harvest time in the Northeast Region. Let's reap the harvest! Please Lord send us laborers!
